

30 August 2011

NSW/ACT Supporter Group
9 3-7 Cowell Street
GLADESVILLE NSW 2111

Dear Supporter Group,

Thank you for your generous support of the Port Adelaide Football Club by becoming a Foundation Believer and donating to our 'Back in Black' Debt Reduction Campaign.

As a direct result of the passion and financial support of fans like you, the Club is making significant inroads into its \$3 million core debt. Our Foundation Believers have contributed to an outstanding result, adding to the \$1.1m raised by our Foundation Leaders.

Donors to the campaign include our players, board, staff and most importantly our army of supporters who all share the common goal to help the Club they love and provide us with an even more promising future by reducing our debt.

As a Foundation Believer you will be invited to an inner sanctum event with selected players and supporters later in the year to thank you for your support. You will also be acknowledged on our Club website.

Thank you once again for your tremendous donation to the PAFC.

As a Foundation Believer you have led the way as we strive to get our great Club back to where we belong; financial strength, playing finals football and winning premierships!

When that success comes, you can rightly share the pride.

Yours sincerely

Brett Duncanson
President
Port Adelaide Football Club

*Please pass on
my thanks to the
supporter group*
